

A Breakthrough Veneer Placement System

LUMINEERS® in LUMITray™

Now you can place up to 10 veneers in one simple step.

The LUMITray system is a unique and innovative delivery system for LUMINEERS. This breakthrough technology allows for a quick, full-arch seating of up to 10 veneers at one time, ensuring perfect color match. **The tray technology guarantees precise seating, minimizing occlusal problems or breakage issues.**

LUMITRAY FEATURES:

- Superior LUMINEERS quality
- Advanced full-arch delivery system
- Ultra-thin—0.3 mm or greater
- Digital design facilitates extreme accuracy
- Digital preview for your final check to ensure case meets your treatment plan
- LUMIGuard protection plate protects LUMINEERS post-placement
- 5-year warranty; 10-year warranty for members of LUMINEERS Smile Discovery Program

LUMINEERS®

in LUMITray™ technology
